Mrs. Lincoln Entertains Beautifully For Miss Church.
Mr. and Mrs. Lincoln complimented Miss Louise Church who is the guest of Mr. and Mrs. W. D. Sanders with a lovely euchre party on Thursday evening. The attractive bungalow of the Lincoln's was transformed into a veritable flower garden with its decorations of all kinds of fall flowers. Mr. Reuben Seirey won the prize, a box of candy, for high score, and Miss Church was given an exquisite box of handkerchiefs. After the games a chicken salad and an ice course was served. Those who were so fortunate as to enjoy this delightful affair were Miss Church, Knox Whitfield, Miss Morrison, Jack Senter, Miss Maer, Robert Betts, Miss Woodward, Robert Whitfield, William Landrum, Louise McCullough and Mesdames Hamner, F. C. Owen, Howard King, W. D. Sanders, Misses Martha Eckford, Katherine Lindamood.

Music Study Club Holds Interesting Meeting.
The Music Study Club held its first meeting of the season at the High School auditorium on Friday afternoon. The large attendance enjoyed a particularly interesting afternoon, "The Musician Woodman," having been the subject of the programme.

The meeting was gracefully lead by Mrs. N. W. Hutchinson, the president, whose ability and enthusiasm will no doubt add greatly to the interest being manifested by the members of the club.

It is pleasing to note that during the year there will be two open sessions to which the public will be invited.

Parent-Teachers Elect Officers.

Officers for the ensuing year were elected by the members of the Parent-Teachers' Association at a meeting held at the Lee High school Wednesday afternoon, and various plans were discussed. Mrs. J. H. Johnston was elected president, to succeed Mrs. L. E. Mayfield, who resigned; Miss Beatie Weaver was named as secretary to succeed Miss Mary Lou Peyton, who resigned; Mrs. J. W. Lipscomb will continue as vice-president, and Mrs. Emma B. Stinson as treasurer. A most interesting program is being arranged for the year, and it is hoped that a large number of ladies will actively identify themselves with the work.

Mrs. Malone Beautifully Compliments Her Sister.

Mrs. E. Lucien Malone gave a delightful rook party on Friday evening in honor of her charming and attractive sister, Miss Florence Morrison, of South Carolina. Pink roses were used in the reception rooms and a delicious ice course was served.

The guest list included Misses Morrison, Katherine Maer, Vernon Pate, Louise Maer, Marie Hopkins, Lucile Kaye, Dorothy Wilkinson, Jessie Yeager and Frances Woodward, and Mesdames William Landrum, Robert Whitfield, Robert Betts, Jack Senter, Sam Yeager, Jesse George, Louise McCullough, and Davis Pate.

Columbus Girls Are Complimented.

Miss Pauline Harris, a well known and popular young lady of this city, has been highly complimented by General Shinnault, of Oxford, as being named as sponsor of the Third Brigade for the Veterans' Reunion, which will be held in Atlanta early in October. Miss Mary Flood, another beautiful and attractive Columbus girl, has been named maid of honor of Adjutant Coffey's staff of the Mississippi Division, S. C. V.

Faculty Members Delightfully Entertained.

The members of the faculties of the city schools who were so delightfully entertained last year by Mr. and Mrs. J. C. Meadows, were again given the pleasure of being in their attractive home Friday evening.

A most tempting buffet luncheon which consisted of salad, sandwiches and cream was served.

Prof. and Mrs. Laurence Painter, and children have returned to the city and have rented the Stephenson home for the winter. Miss Pauline Rouse and Corinne Williams will have rooms with them.

Mr. and Mrs. T. M. McBeath have returned from the Carolinas where they have spent the summer. Mr. and Mrs. Tom McBeath returned with them and will be their guests for a while.

Dr. and Mrs. T. H. Henry and Dr. and Mrs. Durden and Mr. John Robertson have returned from an extensive Western trip.

Miss Annabel Power has returned home after a delightful visit to Mrs. and Mrs. Lindamood.

The New Woman's Store

Now Open for Business

We had expected to be ready for business ten days ago, but were unable to get carpenters and painters to install our furniture and fixtures, and even now the glass cases for our coat and suit cabinets which were ordered some time ago have not yet been received. But you don't want to buy fixtures—it is merchandise you want—and although our store is not fixed up like we want it, and like we hope to have it, and we have not received our complete stock, we have decided not to wait longer, so will open for business tomorrow, Monday, Sept. 22nd, and will hold our Formal Opening later, when our full stock arrives.

The Kind of Store This Store Will Be

We have decided to call it The R. E. Leigh Woman's Store and Gift Shop. We will handle Women's Suits, Dresses, Coats, Waists, Sweaters, Petticoats, Skirts, Kimonos, Bath Robes, Rain Coats, Underwear, Corsets, Hosiery, Handkerchiefs, Neckwear, Gloves, Fine Millinery, Toys, Dolls and fancy articles for Gifts.

It Will Be a One Price Cash Store

Our prices will be lower than other stores—WHY? Because we are out of the high rent district—we employ no bookkeeper and have no office expenses. On rent and office expenses alone we save \$6,000.00 a year. We have no costly furniture and fixtures—which would have to be added to the price of our goods to you. We have no losses from bad accounts. In fact we have cut our overhead expense down as low as it is possible to do business. We have paid cash for all our goods and by so doing bought our

goods for less than those merchants who buy on 30 and 60 days time. Buying for cash and having a small expense in doing business and selling for Spot Cash we can save you fully 20% on your purchases. On coats, suits and dresses we can save you from \$2.50 to \$12.50 on each garment you buy here. You will find our hats price from one-fourth to one-half less than the credit store prices.

We are now showing
Wool Dresses from \$10 up.
Dresses made of Silk materials from \$18.75 up.
Suits from \$21.75 up.
Coats from \$12.50 up.

May we hope to see you in our store early and often. You save real money by buying your fall outfit here.

Esquimaux Own Land in Common.
There is a strange question among the Esquimaux as to the woman owns the land and has equal voice in the council meetings. And there are no serious questions about property rights to settle, because besides the land belonging there is no property. The Esquimaux cannot own land as belonging to any one person. When told how it is held as private property in the states, they showed great surprise and one old man asked if the white men also divided the ocean in the same way.

New Note in Street Music.
A new note in street music is struck in the Strand, where a performer on a piano-organ exhibits a placard stating that he is an ex-convict who has done four years. There are also statements as to police supervision and the instrumentalist's desire to do well; and, as a guarantee of good faith, the placard concludes with the address of his firm of solicitors and of his medical attendant.—London Chronicle.

THE QUESTION ANSWERED.
Medicine is the enemy of mankind. It has destroyed more lives than all the wars of the world. It destroys more than six hundred thousand lives in the United States each year. It tears homes asunder. It snatches babes from mothers' breasts. It is more powerful than the combined armies and navies of the world, and brings pain, sickness and disease to men, women and children. All serums and vaccinations destroy health, and kill more people than the world war.

Chiropractic comes to this world to prevent disease.
Chiropractic adjustments save hundreds of thousands of lives each year.
Take adjustments and get well.
